

28+/- acres in DeKalb County, Alabama

Bell Breeder Farm is a 4 house Poultry Breeder Hen Farm for sale in Fyffe Alabama. Located on 28+/- acres along with a 5 bedroom home, Bell Breeder Farm has everything you need to make a living in the poultry business.

The 4 houses are all 40x400 with each set of two connected on the front with one central egg storage room per set. One set was built in 2012 and the other in 1994 and updated since. There are two generators, freezers for mortality, city water, and a litter barn. All 4 houses have double belt nests, Rotem Controllers, Big Dutchman feeders, and Lubing Drinkers, The newer houses have concrete curbs for the slats to set on and plastic strip slats.

Contact the PoultrySouth Team to get a listing of those updates and income potential for this farm.

Bell Breeder farm is shown by appointment to qualified buyers only. Contact the PoultrySouth Team to find out how to get prequalified.
