

20+/- acres in DeKalb County, Alabama

The Lookout Mountain 20 is a beautiful tract for your dream home or a weekend cabin. The property has lots of big hardwoods and several nice homesites. There is plenty of wildlife in the area, I saw deer on the property when I was making pictures. The property is great location for a weekend getaway and easily accessible to all the outdoor activities that Dekalb County and Northeast AL have to offer. The property is only minutes from Mentone, DeSoto State Park, Little River Canyon and Weiss Lake. There are a few minor restrictions on the property. Located just 3 miles from the main intersection in Dogtown and around 10 miles from Fort Payne. Shown strictly by appointment only.
