

112+/- acres in Coosa County, Alabama

Welcome to this 112 +/- acres of land located on C.R. 131 just off of Hwy 280 in Coosa County. The property was recently clear cut and replanted with pines. There is a nice road that runs through the middle of the property. The land is has rolling terrain with a nice creek and hardwoods on the Northern side of the property. There is also power available at the road. This would make a great recreational property and timber investment. Final acreage to be determined by survey.
