

# 79+/- acres in Pickens County, Alabama

79+/- Acres in the Liberty Community of Pickens County. Tracts like these in West Alabama are hard to come by. This tract has it all with beautiful hardwood bottoms with mature timber, an established food plot, road systems through the property, and located in an area for trophy deer and turkey! There is a small creek on the property to provide year round water access for wildlife. There is noticeable deer and turkey sign throughout the property. Property has paved road frontage access, and all necessary utilities in close proximity. Give me a call for a private showing!
