

# 36.46+/- acres in Tallapoosa County, Alabama

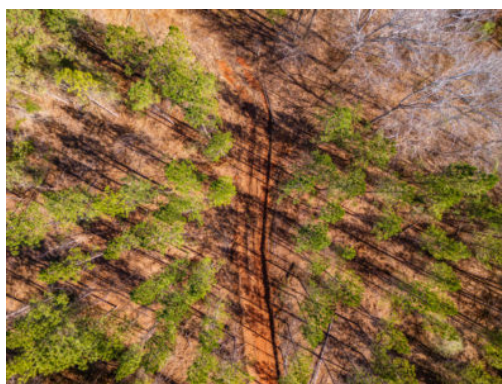

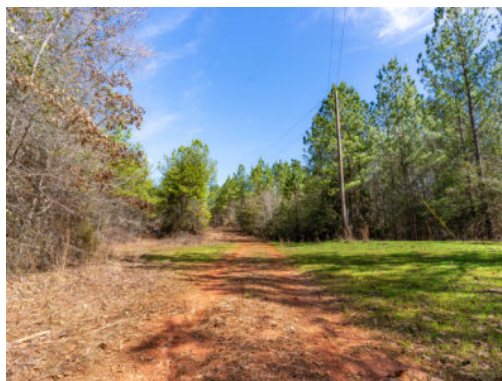

Approximately over 2,000 ft of frontage on beautiful Saugahatchee Creek! Enjoy canoeing and kayaking along the Saugahatchee Creek! Located at the corner of Churchill Road and Hwy 49, in the Camp Hill community, of Tallapoosa County, AL, this property consists of a thinned pine plantation, with wide hardwood bottoms along the creek. It has rolling topography, paved road frontage, and would make a great place to build a home. This would make a great recreational tract with creek activities, hunting, and so much more!

If you would like to take a look at this great property, give Candice or Brian a call!
