

35.04+/- acres in Tallapoosa County, Alabama

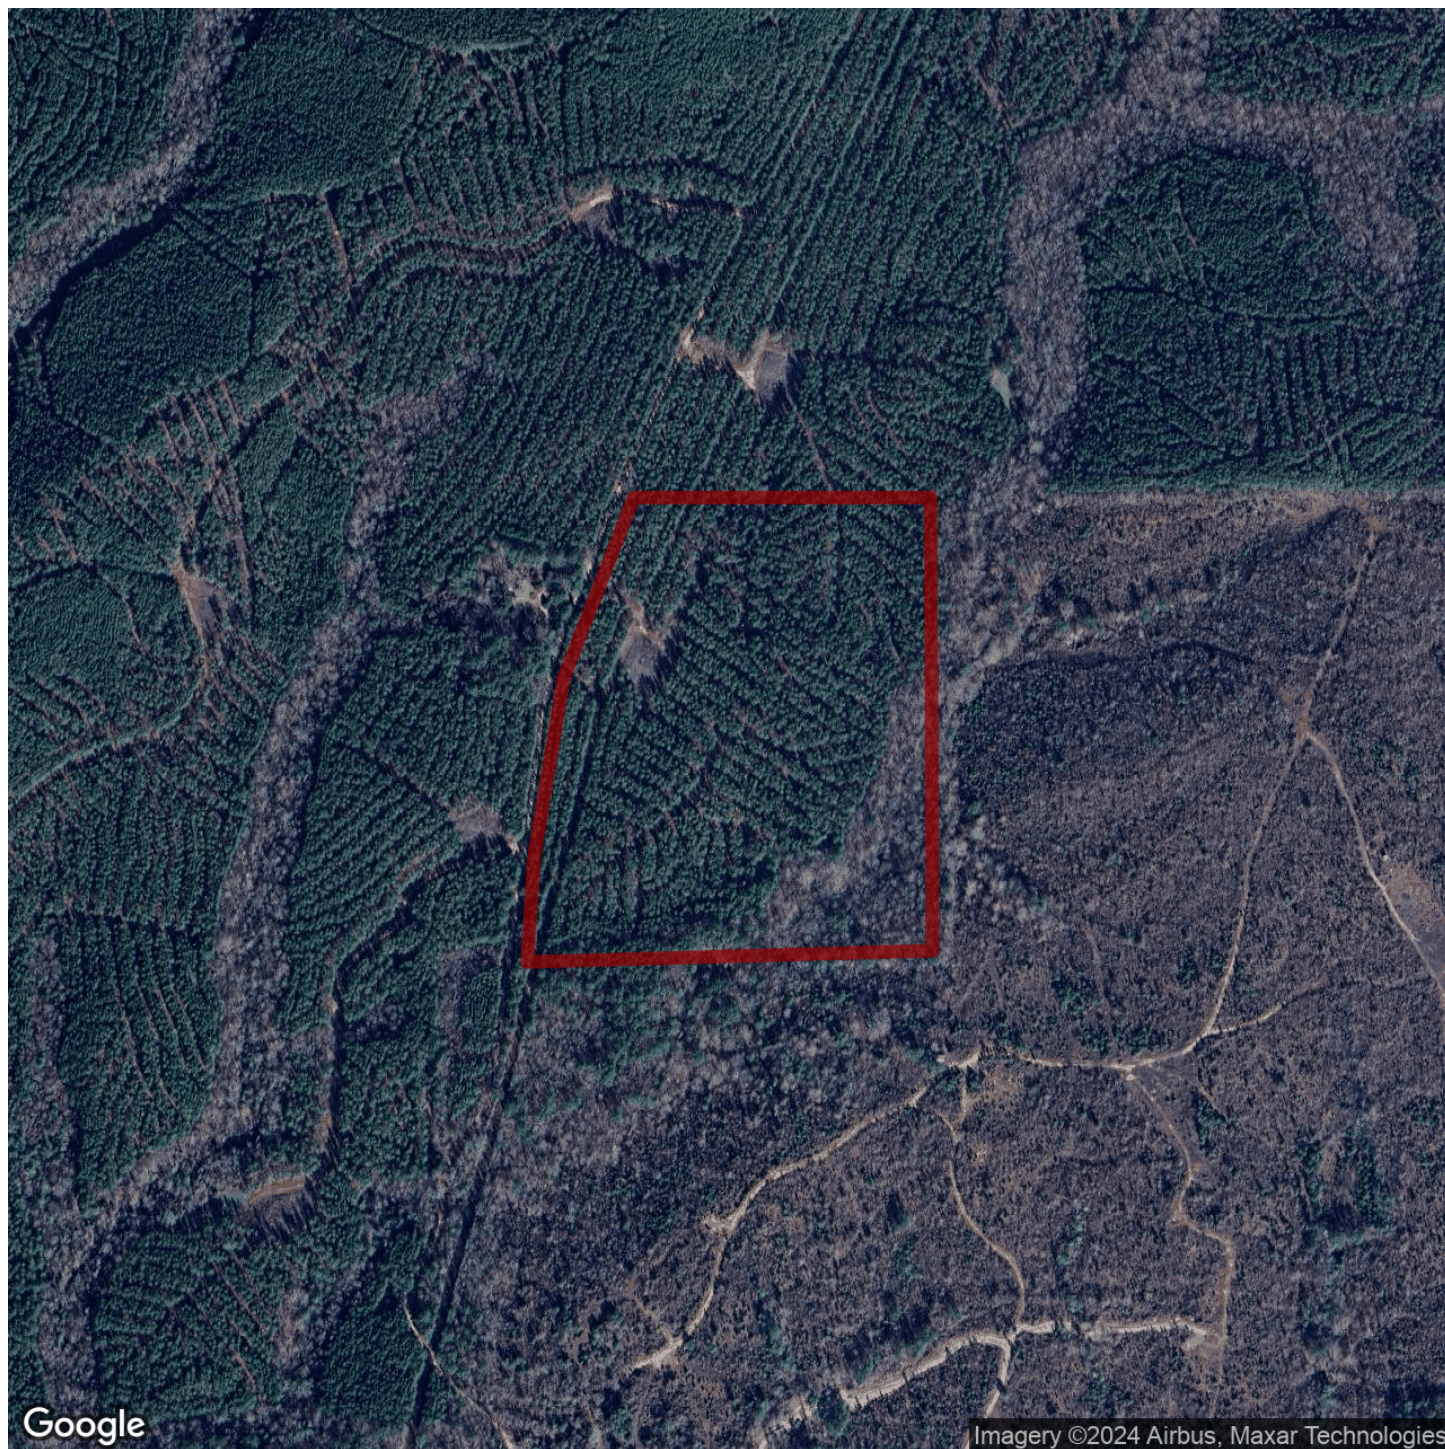

This is a great hunting and recreational tract in Camp Hill area. Located on Churchill Road, south of County Road 34, this tract consists of mostly pine plantation with nice bottom land hardwoods, with a beautiful flowing stream. This would make a nice sized hunting tract. Located minutes to beautiful Lake Martin, and restaurants to the west and all that the Auburn/Opelika has to offer, just to the east. It has plenty of county road frontage and power line goes across the tract.
