

3+/- acres in Coosa County, Alabama

Located on County Road 59, between the communities of Stewartville and Rockford, this property consists of a pine plantation with plenty of paved county road frontage and would make a nice place to put a home on. There is additional acreage directly across the county road available for sale as well. Power and water are close by.

Give Candice or Brian a call to take a look!

Mini farm · \$25,500
