

8.46+/- acres in Coosa County, Alabama

Located on paved County Road 111, just north of Highway 280, in the Goodwater Community, this tract consists mostly of planted pines. This would make a good homesite or would be ideal for a hunting club looking for a place to set up a hunting camp close by. There is also a power line right of way on the tract, great to establish a food plot on.
