16+/- acres in Clay County, Alabama

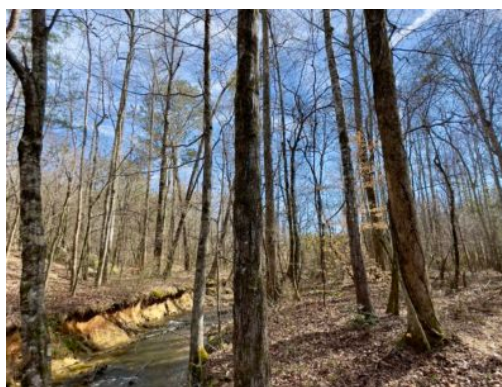

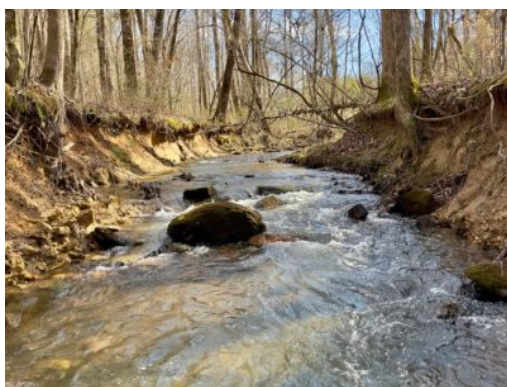

16 +/- acres along beautiful Dinner Creek in the Corinth community of Cragford, AL. This mini farm has been freshly mulched and graded to support its gentle roll and gives an ideal homesite up the hill from the creek. There are multiple springs flowing on this property that feed into the big creek as well. There is a beautiful hardwood draw along the creek as well as across the creek that has not been cut or cleared. There is paved road frontage on Dinner Creek Road with county utilities accessible. Come build a home, plant grass, fence all or half of it and start your mini farm homestead today.
