

180+/- acres in Autauga County, Alabama

The Pine Level and Deatsville areas are growing at an astounding rate. That's one of the many reasons why this 180+/- acre tract, on County RD 40, is a desirable find. There is abundant wildlife in this healthy mix of mature hardwood and pine timber, which makes it a great place to hunt. There are a couple of hilltops, on the property, that would make great spots for a home as well. As you will see in the pictures, there is a gorgeous creek with crystal-clear water flowing through it. This would make for a relaxing and scenic atmosphere for viewing wildlife from a stand or from the back porch of your home or cabin. Please take the time to come see this 180+/- acres on the Autauga/Elmore County line. Convenience to town, a beautiful creek, and mature timber await you. To view this property, call Scott Mills at 334-300-6663.

Acreage with Homesite • \$540,000
