

# 11+/- acres in Lee County, Alabama

This property is located off Lee Road 166 and is convenient to Auburn, Salem, and Opelika. This tract is made up of a mature pine plantation. It does have paved road frontage and utilities are close by as well. No restrictions are put in place making this a great place to put your home and bring and livestock. The property topography is relatively flat and would make a great potential pasture area, garden, or food plot.
