

50+/- acres in Chambers County, Alabama

Welcome to this beautiful 50 +/- acre tract located in Southeast Chambers County, AL!

Located right off the banks of the Chattahoochee River, this tract has a multiple homesites with beautiful views of the river and surrounding area. The convenient location of this tract is just minutes outside of town, however, it is far enough out to enjoy the peaceful scenery and wildlife this tract has to offer. This would make an excellent hunting tract with great habitat and food sources for deer, turkey, ducks, and much more. There is a nice freshwater stream that meanders through this property straight into the Chattahoochee River. This tract is unrestricted and utilities are available.

Don't miss out on your chance to own this great property!

Please reach out to Luke Rice or Tyler Briggs to see this property today!
