

8.5+/- acres in Lee County, Alabama

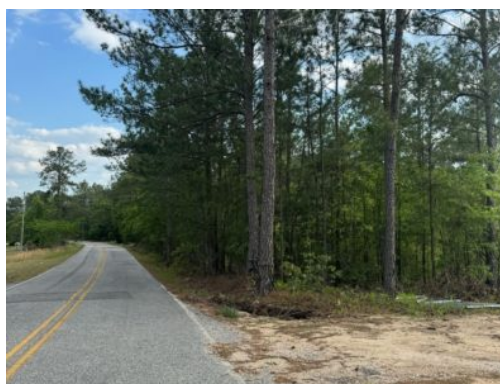

This tract is located off Lee Road 40 near the Beauregard area. It has power and water ran already on the property. An acre section has been cleared as well. The property consists mainly of mature pine timber. Located close to Auburn, Opelika, and Phenix City. The tract also has no restrictions on it as well. A septic tank does come on the property, but it comes with the property in as is condition. This would be great country leaving with conviences close by!
