

# 84+/- acres in Elmore County, Alabama

Other than right out your back door, if you live in the country, can you have more **convenient hunting** than this! This property is located in Eclectic, **where Hwy 170 and 63 meet**. It is 84+/- acres of **hardwood and pine timber, with creeks and abundant wildlife**. Parcels this size are getting very hard to find and, when put on the market, generally do not last long. Please call with any questions. Scott Mills 334-300-6663

**Hunting · \$210,000**
