

# 30+/- acres in Montgomery County, Alabama

Pine level is great place to live! Convenient to 2 cities while living in a peaceful, country setting - a short 25 minute drive to either Troy or Montgomery. Minutes from Sikes and Kohn's, the most desirable place to shop for clothing in the area, this 30+/- acres and home are in a perfect location to have the best of both worlds. The house and barns are in need of repair. One of the barns is set up for horses with numerous stalls. The owner has harvested many very nice deer on the property, so hunting is definitely possible if you would like. Please come take a look at this place. This much land with a home and barn is very hard to find in this price range.
