22+/- acres in Lee County, Alabama

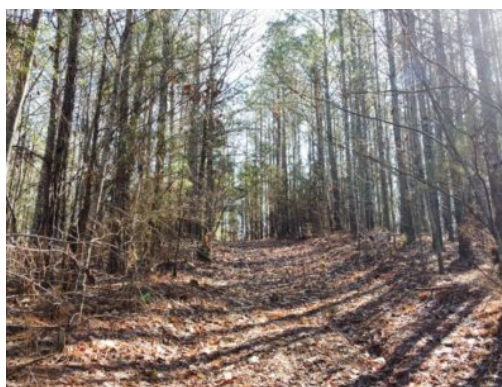

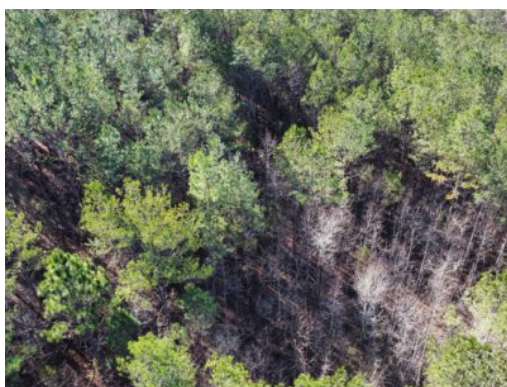

Looking for that place that would be a great small timber investment, or a place for the family to camp on the weekends, or the place for that dream country home ! This would be a great place for that. Convenient to Auburn, AL , Lake Harding, and Columbus, GA. This tract is made up of mostly planted pine timber. It has some rolling terrain that makes it a unique place.

Timberland • \$129,999
