

126+/- acres in Crenshaw County, Alabama

For Sale!!! 126 +/- acres located along Live Oak Rd in Crenshaw Co. Public road access along with a good internal road system. Several food plots are established and ready for hunting. The timber consist of loblolly pine planted in 2008 with some hardwood drains. The timber has been well managed and will be ready for its first thinning soon. There is a pond on the property that would be good for duck hunting in the winter and fishing in the spring. This property is shown by appointment only. CMP 984011-1

Hunting · \$364,770
